## Calling All Champions

**Celebrating its seventh year**, the *Champions for Children Charity Breakfast* is an inspirational morning of support to further the mission of Childcare Resources — to ensure young children are receiving quality education to build a strong foundation for life-long learning.

In the past seven years, due in large part to funds raised from this event, Childcare Resources has distributed more than \$500,000 to support over 450 children through our Supplemental Child Care Program, provided nearly 2,200 training hours to child care providers across our community, and assisted more than 2,400 families with locating child care options for their young children.

On Thursday, April 18th, Childcare Resources will once again host our *Champions for Children Charity Breakfast* to raise valuable dollars to further our important work. Passionate volunteers, Board and Junior Board Members, supporters, and advocates for our mission will be inviting friends, family, and colleagues to join us for a one-hour, free program to help create quality early-learning opportunities and a strong academic start for young children across Central Alabama.

**Please join us as a sponsor for our *Champions for Children Charity Breakfast* — Alabama's children are counting on you!**
